The enclosed personal identification card is proof that you have met the Board's annual Continuing Education requirements and paid the license renewal fee to maintain your license on ACTIVE status as provided by NCGS 143-151.55. Please carry it with you while serving the public as proof of compliance with the provisions of the NC Home Inspector Licensure Act and NC Administrative Code Rules of the Board. In lieu of renewal, ACTIVE license holders may apply to the Board to be placed on inactive status and no inspection work may be performed. Renewal fees are due by September 30 of each license year. Failure to renew by that date will result in license expiration and incursion of a Late Fee. No late renewal of a license may be granted more than one year after the license expires.
